Sulphur River Exploration, Inc. (SRE) offers you the option to receive payments electronically by Electronic Funds Transfer (EFT).

Electing to receive payment from SRE by EFT will benefit you in these ways:

1. You will receive your payments faster than by regular mail delivery.
2. You will not have to take action regarding lost, stolen, damaged or stale dated royalty checks.
3. During bad weather or when you are away from home or the office, a trip to the bank is not needed to deposit your check.
4. Revenue Statements are sent electronically to the email address you specify.

Please follow these steps in order to begin payment by EFT:

1. Fill out the form on the back of this page and complete all of the fields.
2. The form must be signed by you or your authorized representative. We may require documentation of such authorization after the EFT form has been reviewed.
3. A voided check must be attached to the EFT form. Do not provide a deposit slip because some banks have different routing numbers on checks and deposit slips.
4. If your checking account does not provide checks, your bank can submit a Bank Account Verification Letter which is a commonly used document for EFT. This letter can also be used for deposit into a savings account or brokerage account.

Sulphur River Exploration, Inc. believes that this method of paying your revenue to you will be safer and faster for you and we encourage you to sign up for payment by EFT.
